Your e-bill is password protected for your security and requires 8 characters password to open. The password for opening is a combination of the first 4 letters of the name in which your connection is registered (in lower case) For example: If your name is Ramesh Kumar and your Jio postpaid number is 9XXXXX7007, then your password will be rame7007

To make it easier for you to understand the bill, we are sharing a step by step guide.
